# CLADDING IDEAS

Limestone Reef wall cladding in random pattern capped with Limestone Reef single and double bullnoses.

Internal feature wall using Limestone Reef cladding with inlay of New Yorker Reef.

Limestone Reef cladding with bullnose and step treads.

External wall with Limestone cladding in random pattern.

Limestone Reef cladding capped with single and double bullnoses.

Limestone Reef cladding in a stair riser application, capped with single bullnose step treads.

Limestone Reef cladding in random pattern with single bullnose capping.

The above pictures are just a small example of how the UrbanStone Collection's distinctive pavers, borders, bullnoses and cladding combine to transform outdoor areas into stunningly creative landscapes. To see more of the unique options available, visit our display centres.
