

URBANSTONETM

FEATURE IDEAS

Salmonback paving with Limestone Reef header and star pattern using Tuscan, Salmonback and Limestone Quarry inlays.

Limestone Reef pavers with classic Terracotta Quadra border.

This striking inlay utilises Newyorker Quadra Polished border, in combination with both Limestone and Tuscan Reef paving.

Salmonback Reef paving laid with 100mm gap to accommodate lush mondo grass.

Limestone Reef single bullnoses create a perfect lawn and pond edge.

Excellent use of colour, texture and size results in a magnificent feature inlay.

Pavers can be laid with mortar joints.

Radius bullnoses used in walls.

The above pictures are just a small example of how the UrbanStone Collection's distinctive pavers, borders, bullnoses and cladding combine to transform outdoor areas into stunningly creative landscapes. To see more of the unique options available, visit our display centres.
